CAT4 Tests

The Grades 3-8 students will be doing CAT4 (Cognitive Ability Tests) from **April 11-21**. These tests give us a clearer picture of where the strengths and weaknesses are of the students as a whole and individually. This enables us, as educators, to see where we are strong and where we can seek to improve. The tests are not used for progress reports, but they are important to us for the growth of our school academically. Please help us by talking to your child about these tests, so that they take them seriously and do their best, but also, so that they do not stress as this test is not recorded in their progress report.

When we receive the results, we will share them with you. Thank you!

CHURCH PARTICIPATION APRIL 15

- **REQUIRED**
- **THIS WEEKEND!**
- **Saturday @ 10:15 am**
