

# “3-YEAR ACCESSIBILITY PLAN” TIMELINE

## Initial Implementation

### August 2023

- The school community was surveyed.
- A physical plant audit was done.
- A 3-year plan was created.
- A Survey was made available on the school website.
- The school community was informed.

Quarterly Meetings to discuss any responses that come in from the survey on the website.

- August
- November
- February
- May

Annual Status Reports will be created by the principal and reported to the School Board/School Accessibility Team on an annual basis.

- Every August

The 3-year Plan is made to address barriers over a 3-year period. Thus, the plan needs to be updated every 3 years.
