## SCHOOL CULTURE SURVEY COMING TO YOU: January 15

Your school values and **needs input from YOU**, the community!

Each year it is critical for school leaders to have reliable data to assess their  
school environments. This survey can identify areas for celebration, areas for  
growth, and disconnects between different groups of participants.

Please take the time to fill out the survey!!! (An email link will be sent on January 15)

(A letter with more information was emailed to you on December 18.)
